

OASIS® 146 MULTI-QUAT SANITIZER

Oasis 146 Multi-Quat Sanitizer is an EPA-registered, concentrated, no rinse quat sanitizer that is effective across a dilution range of 0.25 - 0.67 oz per gallon of water. It provides a wider sanitization range with maximum convenience. It's an easy spray and wipe, mop bucket or third sink sanitizer application with no rinsing required. Oasis 146 Multi-Quat Sanitizer can also be used to deodorize garbage storage areas, garbage bins, toilet bowls and any other hard nonporous surfaces in odor causing areas.

This product is available from many e-commerce stores on the internet.

It is extremely economical.

You mix a small amount (follow the instructions on the jug) with WATER and then pour it into an empty spray bottle.

One Jug will last you for a very long time.

This is your "Go To" sanitizer to keep your store properly sanitized.
